

# **"THEATRE WORKSHOP IN ENGLISH"**

## **BRING OUT THAT ACTOR YOU HAVE INSIDE YOU...**

**To do this we will work on basic ideas and concepts  
in theatre, voice production, body language,  
improvisation, developing texts for comedy,  
polishing our pronunciation...  
and this is just the beginning!**

**No previous acting experience necessary,  
even preferable.**

**Participants should come to  
all the sessions with an open mind,  
willing to work hard and to enjoy themselves  
in a non-judgemental, relaxed atmosphere.**

- For students enrolled in a B2.2, C1 or C2 course  
at the EOIP or those others who meet the  
language requirements"**
