

## **Discovering White and Black Australia**

What do we know about Australia? There is fantastic surf, amazing Sydney, exotic beaches, luxurious climate, a few summer wildfires and perhaps tough airport controls... And YES, there are some black fellas, too.

But, there is surely more to Australia. No civil wars in Australia, though, it has fought in most major wars in the world in the last 120 years. White Australia has grown thanks to the waves of immigrants yet Australia has one of the toughest immigration and refugee policies in the world... However, within all this, there is a black Australia, the Aboriginal Australia, which is trying to find its own place, too.

Let's try to get a glimpse of that barely known White and Black Australia.
